

Human health meeting minutes March 31st

Present: Anne-Marie, Stephan, Masaharu, Cecile

Excused: Jane, Brad, Montse (joined at the end)

- ➔ Masaharu Motoshita is presenting his latest work (see video online to watch the presentation)
Documents (ppt and draft paper also sent by email, please do not distribute)

- ➔ Next task is to start the list of modeling aspects to decide on, and list possible options
 - AMB to start the list and circulate. We should have something ready to use as a basis for discussion at the work meeting in Basel
 - Ex: Quality aspect inclusion, trade effect inclusion, domestic user deprivation, etc...
